Dear Parent/Guardian:

June 9, 2009

Effective Wednesday, June 10, 2009 the end-of-school day traffic pattern will be changed due to the construction of a new building at Diman.

This change will affect students who take the school bus home and/or have rides pick them up after school.

The following changes will be taking place for School Bus riders HOME:

- All School Buses will line-up on the EAST side of the building facing in a southerly direction
- Students who take the school bus home will exit the building using doors on the EAST side of the building
 - Main entrance
 - Culinary Arts Tea Room Door
 - Stairway by Auto Mechanics
- The School Buses will exit school property by the “main road” and turn onto Stonehaven Road.

The following changes will be for students who receive a ride home:

- Cars will be allowed to enter the main road and turn left lining up closest to employees cars parked along the fence (Athletic Field)
- Cars will exit by the gates onto LOCUST Street
- Passenger cars will also be allowed to line-up near the Gym area but only on one side – closest to the building
- Passenger cars will also be allowed to wait in the Student Parking Lot

Please feel free to contact me at 508-678-2891 if you have questions.

Sincerely,

Brian S. Bentley

Assistant Superintendent-Director/Principal
