MAKE AN IMPACT**

PARENT ADVISORY COUNCIL (PAC)

The purpose of this organization is to aid students of Diman Regional Vocational Technical High School in achieving their fullest potential by helping to provide educational and personal enrichment, and by encouraging the cooperative interaction of parents, teachers, and the community.

It is our goal to offer a community approach to comprehensive information in a relaxed setting that allows parents and guardians to share, ask questions, network, gather resources or simply listen.

- We will meet on the second Wednesday of every month at 6:30pm in Room 251 beginning in September.
- The Parent Advisory Council helps brainstorm, create, and organize informational Parent Forums addressing topics relevant both in and outside of our school
- The Parent Advisory Council is a working part of school initiatives through the school improvement committee

Our Parent Advisory Council includes all parents of all students at Diman. We are a working group that will seek out opportunities where parents and guardians can make an impact and their voices can be heard.

PARENT TEACHER ORGANIZATION (PTO)

In their unique position as parents and guardians, the purpose of the PTO is to support the education of the students of Diman Regional Vocational Technical High School by fostering relationships among the school, parents, guardians, and teachers. The PTO will support the advancement of Seniors' education with the awarding of scholarships.

- Sponsors both social and effective fundraising events for extra curricular activities for all Diman students.
- Sponsors a senior celebration known as the Bengal Bash. The members of the PTO and parent volunteers host a carnival type of atmosphere, catered cookout, and free raffles for Seniors.
- Involves students in helping out with events that we sponsor. We have also been able to present a graduating senior(s) with a Service Award for their help during his or her four years at Diman.

Keep in mind none of this happens by itself. Without parents working together none of these achievements would be possible.

PTO meets the first Wednesday of every month at 6:30 p.m. in Room 251 (excluding January) beginning in September through May. Meetings are open to all.
