Google Voice number for text - 774-294-0506

Welcome to AP Biology! I am so happy that all of you have joined me for this year and I look forward to our time together. That being said, this class moves pretty fast and includes a lot of material. I may be a little biased, but I also think it's a lot of fun. It is to your benefit to do a little review and get a head start before beginning the school year.

I have created a Google Classroom for use in this class. Join using the class code:

77xtfmb

If this doesn't work, send me an email (see above).

Supplies

For next year you'll need:

- a. 3-ring binder
- b. Calculator
- c. Loose leaf paper or a notebook

Summer Assignments will be posted on the Google Classroom page.
