District Office Telephone: 508-672-1070  
District Office Fax: 508-672-1082

## Virtual High School Sign-off Sheet

I, the undersigned, recognize that the student listed below will be participating in Virtual High School (VHS) online learning at Diman Regional Voc-Tech High School. VHS provides students with the opportunity to expand their course choices well beyond the curriculum offered within Diman's walls, but that opportunity comes with several important challenges. Here are facts that parents and guardians need to understand about VHS.

- VHS continues during students' shop/co-op weeks and during February and April breaks, so the student is responsible for completing coursework due during those times. This creates certain requirements:
  - Students need to have a computer and reliable internet access at home.
  - Students must be motivated to do their VHS work without prompting.
  - If students will be traveling for February or April vacation, they need to make arrangements with their VHS teacher about late/missing work. VHS does end in late December and begins again in January, so winter break is not an issue.
